Below is the draft invitation for the meeting. Please let me know if you have any comments/changes.

PERMITTEES:

*Hello,*

*As an affected MS4 community, you are invited to attend an informational meeting on the proposed Watershed Based Municipal Separate Storm Sewer System permit in the Middle Rio Grande. As you may recall, EPA issued the permit in draft form for review in May 2013, and the public comment period closed in July 2013. Since that time, EPA has been addressing comments received and during this meeting will address answers to the top 5 comments at this meeting, as well as discuss plans and procedures to issue the final permit.*

*While this is not a public meeting, invitations are extended to those who commented during the formal comment period. In addition to the Monday July 14<sup>th</sup> permittees meeting, a public meeting will be held on the following day, Tuesday July 15<sup>th</sup>, for all stakeholders. MS4 communities are also invited to attend this meeting and will receive a separate invitation.*

*The meeting will be on Monday, July 14, 2014 at the Mid-Region Council of Governments at 1931 Second St., Albuquerque, NM 87102. We will start the meeting at 1:00pm and will conclude at 2:30pm.*

*The agenda for the meeting is as follows:*

- *Greetings and Meeting Opening/Introductions* EPA/NMED
- *EPA's Responses to the Top 5 Comments Received* EPA
- *Plans and Procedures for Issuance of the Final Permit* EPA
- *Questions* EPA

*Thank you.*

Sarah:

Rachel is OK with NMED at the Los Alamos petition meeting.

Looks like we could:

Monday 1:00 – 2:30 pm MRG MS4 Permittees meeting,  
 Tuesday 9:00-10:30 am MRG MS4 Stakeholders meeting and then meet with Amigos Bravos Tuesday at 11:00 or 11:30  
 possibly at the NMED Field Office or somewhere?
